**GOD SAW MORE IN YOU THAN
YOU COULD SEE IN YOURSELF**

**Am I
enough?**

**Why am I
different?**

**Do I
matter?**

**Will my life
ever become
anything
significant?"**

**I felt like everyone else
was moving through
life while I was carrying
something nobody else
seemed to understand.**

**I'll never
change**

**God could
never use
somebody like
me**

**Nobody
notices
me**

**I'm not
good
enough**

**I don't have
much to offer**

God has always worked through people who felt inadequate.

1

“WHO AM I?”

Moses was unsure of his identity and qualifications.

Exodus 3:11

2

“WHAT IF THEY DON'T BELIEVE ME?”

Moses doubted the people would believe God had sent him.

Exodus 4:1

3

“WHAT IF THEY DON'T LISTEN TO ME?”

Moses was afraid the people would reject his message.

Exodus 4:1

4

“I DON'T SPEAK WELL.”

Moses felt inadequate because he was not a skilled speaker.

Exodus 4:10

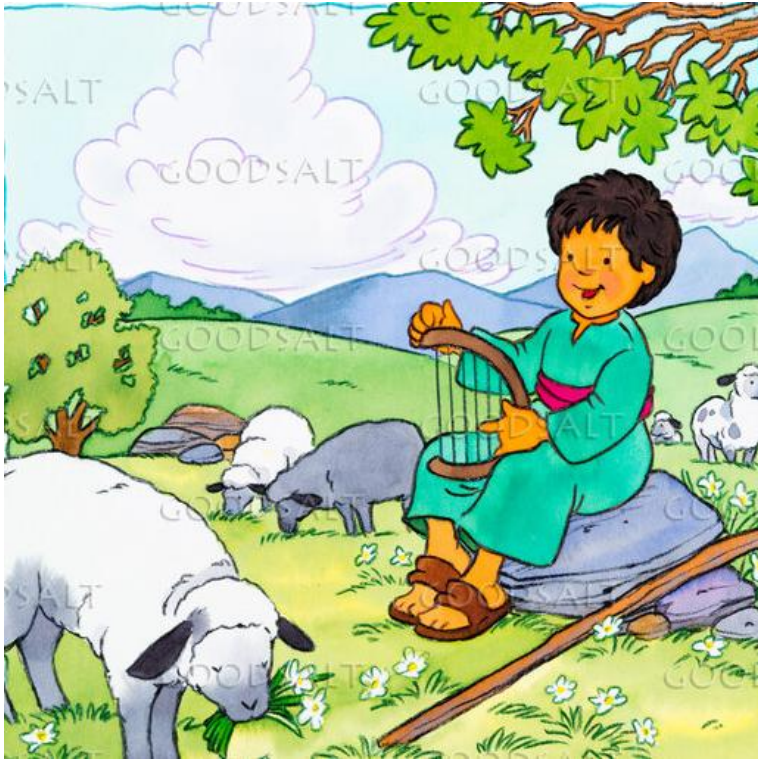

5

“PLEASE, SEND SOMEONE ELSE.”

Moses tried to get out of the mission altogether.

Exodus 4:13

Have you ever noticed that God rarely sees people the way they see themselves?

David's family saw a shepherd boy.

God saw a king.

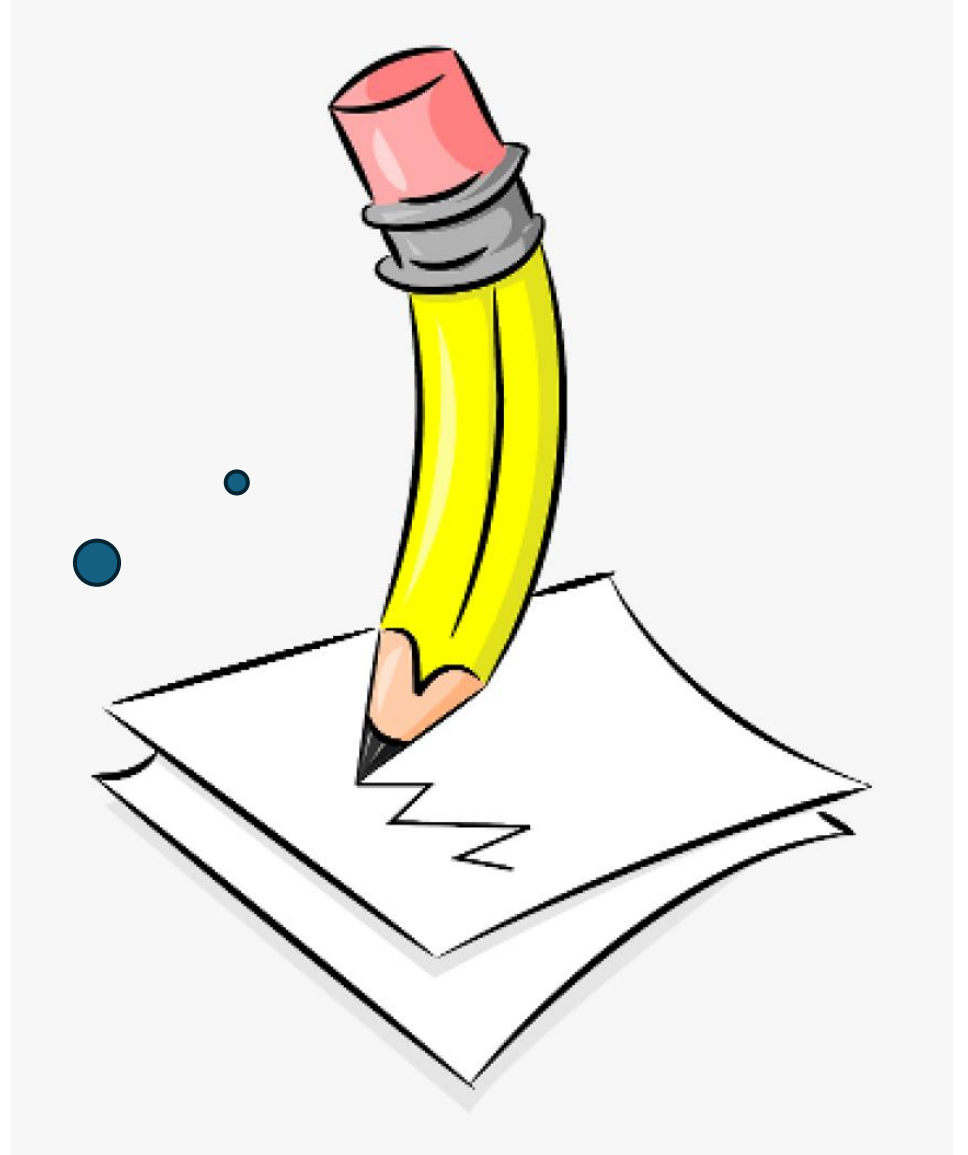

i praise
you
because
i am
fearfully
and
wonderfully
made
psalm 139:14

**If had allowed
insecurity to write the
rest of my story, I
would never have seen
what God had
planned.**

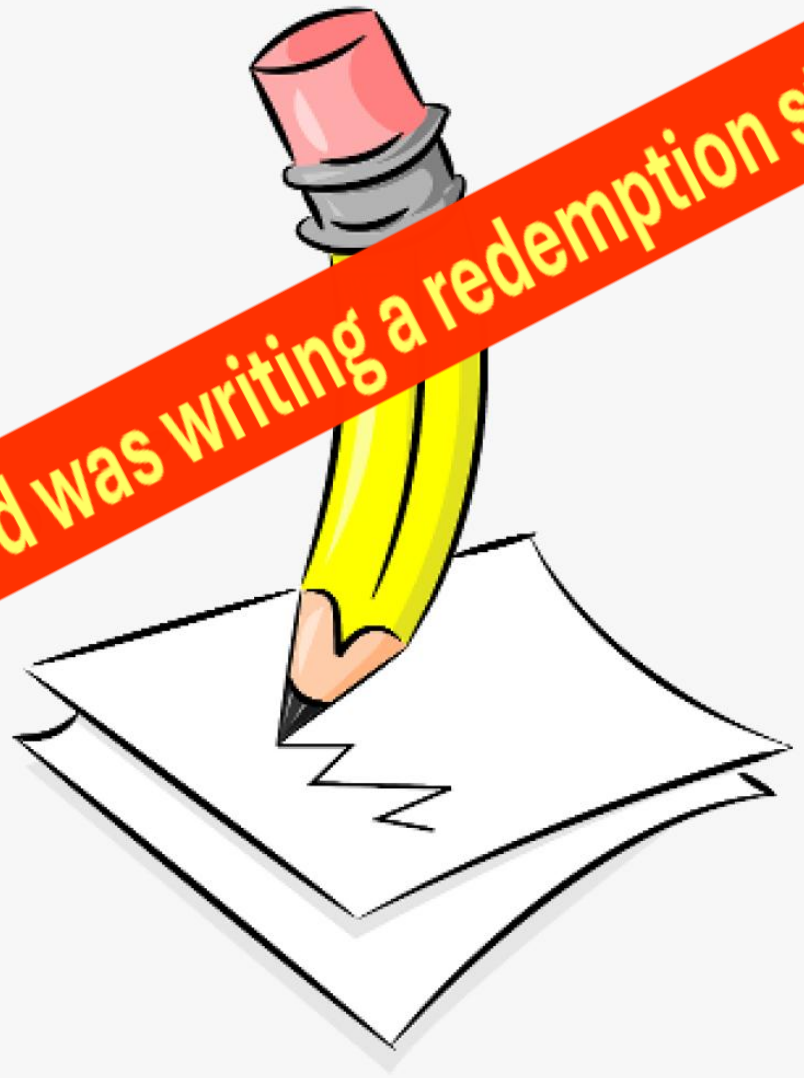

**God's still
writing my
story**

If had allowed
insecurity to write the
rest of my story, I
would never have seen
what God had
planned.

God's
my
story

what I could not see then was that God was writing a redemption story.

**God sees more in
you than you can
currently see in
yourself.**

**God sees more in
you than you can
currently see in
yourself.**

**While you are still trying
to understand your story...**

**God is still writing it.
And His pen has not stopped moving.**
